**Sub: - Disclosure of Material information relating to the production capacity of the Company.**

Dear Sir,

In compliance with the Regulation 2(1)(1) and Regulation 38 of the DSE Listing Regulations, 2015, we would like to inform you that BBS Cables Ltd. raised its paid-up-capital through Initial Public Offering (IPO) amounting to Tk. 20.00 crore in the year 2017 with a view to repayment of term loan, establishment of new Building and importing new Plant & Machineries for enhancement of production capacity of the Company.

In this connection, we would like to inform you that the Company imported required capital machineries by utilizing the said IPO proceeds and using the Company's own fund which has already been installed in the factory. The Company is planning to start the commercial production from the new machineries with effect from 12<sup>th</sup> January, 2019. It may also be mentioned here that the current installed annual production capacity of the Company is 16,600 Metric Ton as on 30 June, 2018 and as a result of installing the new machineries, the annual production will increase by 37% (6,100 MT) from the existing production capacity that will stand up to 22,700 Metric Ton (approx.) annually, the value of which is about Tk. 1200.00 crore approximately.

You are, therefore, kindly requested to disseminate the said information through the news monitor of the exchange for kind information of the investors of the Company.

Your co-operation in this behalf will be highly appreciated.

Yours truly,

**Md. Nazmul Hasan, ACS**
